Marine Corps Aviation Association
John Glenn Squadron
Scholarship Fund

Successful people ask "What can I do for others in the community that will help them achieve their own success. How do I give back to the community?"

The MCAA John Glenn Squadron Scholarship Fund depends on tax deductible donations from people like you who share the goal and vision of promoting higher education in Science, Technology, Engineering and Mathematics (STEM) for deserving students of Southern Maryland Tri-County area high schools and the dependents of MCAA John Glenn Squadron members.

By supporting the MCAA John Glenn Squadron Scholarship Fund with your tax deductible contribution you share your success and your desire to help others in the community.

- ☐ Please contact me
- ☐ I would like to pledge my donation of $_____
